

BREBEUF JESUIT PREPARATORY SCHOOL

Private Catholic and Jesuit College-Preparatory High School

Brebeuf Jesuit, a Catholic and Jesuit school, provides an excellent college preparatory education for a lifetime of service by forming leaders who are intellectually competent, open to growth, loving, religious, and committed to promoting justice. Fostering a culture of understanding and dialogue, Brebeuf Jesuit seeks and welcomes students from diverse religious, ethnic and socio-economic backgrounds. Students at Brebeuf Jesuit are called to discover and cultivate the fullness of their God-given talents as a responsibility and as an act of worship.

Brebeuf is one of 17 secondary school apostolates sponsored by the Midwest Province of the Society of Jesus. Founded in 1962, Brebeuf Jesuit currently serves a co-educational student population of 841 students with a faculty and staff of 135.

In lieu of an open house, Brebeuf offers smaller, more personal events that focus on a key aspect of student life in a more intimate setting that will allow prospective students and families to experience firsthand the optimal size of the school community. Spend an afternoon on campus to attend informational sessions, participate in interactive sessions, and connect with faculty, staff, and students to gain a deeper understanding of the transformational experience ahead at Brebeuf Jesuit. FORTUNE ACADEMY

Independent Day School for Students with Language-based Learning Differences

Fortune Academy is an independent day school for 1–12th grade students with language-based learning differences, such as dyslexia, dyscalculia, dysgraphia, ADHD, and executive functioning function difficulties. Located on the Historic Fort Ben Campus, our program is designed for students with average and above intelligence who simply process information differently than expected in a conventional classroom.

At Fortune, we understand our students' distinct academic, social, and emotional needs and celebrate their individual learning styles. The school is designed to provide an environment that nurtures each child's development, builds upon their unique strengths, and offers remediation in areas of weakness.

INTERNATIONAL SCHOOL OF INDIANA

An Independent Private School for 3 Year Old – Grade 12

The International School of Indiana (ISI) offers an experience students won't find anywhere else: a dynamic framework to understand other cultures and perspectives. With the upcoming opening of the Chen Family Lower School, the unified Michigan Road campus is located on sixty-five acres near Indianapolis points of pride like Newfields, Butler University, and the city's cultural trails.

We are proud to be the only Indiana school offering the full-continuum International Baccalaureate (IB) curriculum to all students from ages 3 to Grade 12. The IB is a globally recognized, high quality program encouraging both personal development and academic achievement.

ISI is also the only Indiana school offering immersion and dual language programs in French, Mandarin, Spanish, and English. The focus is on developing fluency in speaking, reading, writing and understanding, so students can actively participate in their target language.

With a robust student life, ISI offers over 50 clubs and activities and 20 sports teams at the Upper School, and over 25 enrichment clubs at the Lower School. Students begin working with College Counseling in Grade 8. ISI graduates have a 100% college acceptance rate.

After all, why stop at the Crossroads of America when you're prepared to go anywhere?

CATHEDRAL HIGH SCHOOL

Private, Catholic, College-preparatory High School

Cathedral High School embodies Catholic values to help students achieve their personal best through a robust curriculum of academics, athletics, and the arts, a supportive social environment, and opportunities for spiritual and emotional development in and out of the classroom – all to establish a foundation for life-long success.

Helping students reach their fullest potential is Cathedral's Innovation Center. This new, 49,000 square foot facility promotes interdisciplinary and transformational learning and wide-ranging collaboration for STEM studies. Engaging in rigorous, collaborative projects ensures graduates are prepared to excel in college and the workforce.

Whether students enter high school with placement test scores in the single digits or the 90% percentile, Cathedral transforms students to help them reach beyond their expectations. As a result, Cathedral graduates attend the country's top universities, colleges, and military academies. And while they're excellent students, they're even better citizens.

THE ORCHARD SCHOOL

Private, Independent School with a Progressive Education for Preschool — Grade 8

At The Orchard School, our mission is to develop and educate the whole child. We are a non-sectarian, independent school, committed to advancing each student's academic success, self-confidence, open-mindedness, ethical character, leadership, and love of learning.

Orchard is an independent school founded in 1922. For nearly 100 years, we have been the leader in Progressive education in Central Indiana. Utilizing our 43-acre wooded campus, our nationally recognized programs are designed to develop and educate the whole child.

We provide a transformative and foundational education for students in preschool through eighth grade. We believe in engaging the natural curiosity of students in an active, child-centered, and experiential learning environment. Students love Orchard because their individuality is honored, and the academics are challenging, yet fun, creating a love of learning that is fostered by teachers who know them well.

Our small student-to-teacher ratio affords dedicated teachers the emotional space to create meaningful relationships, building an inclusive and accepting community. All this takes place in a warm, nurturing community where diversity is evident, recognized, and celebrated.

SYCAMORE SCHOOL

Private School for Academically Gifted Children, Preschool – 8th Grade

Sycamore School is Indiana's only accredited, private, independent school for gifted students in Preschool through 8th grade. We understand that gifted children need a special education, and our mission reflects this: "Sycamore School exists so that academically gifted students can experience the enriched, accelerated education they need to reach their potential and to lead responsible, constructive, fulfilling lives."

Few schools in the country have such a clear focus and unique commitment to providing an appropriate education for gifted learners. All that we do, in and out of the classroom, is focused on helping gifted students realize their fullest potential while being known and loved.

Our dedicated faculty members are specifically trained and experienced in the education of gifted children. They understand the intellectual, social, and emotional needs of these children. Our faculty and administrative staff write and develop our curriculum in order to incorporate the most current research and best practices in education for gifted learners.

At Sycamore, gifted learners find a home. It is important for our brightest students to have an intellectual peer group, and at Sycamore they find one. At Sycamore, we nurture minds, hearts, bodies, gifts, and talents. We are a place "where gifted kids thrive."

UNIVERSITY HIGH SCHOOL

Premier High School Education in Hamilton County

University High School has become a premier college preparatory school in Central Indiana. Signature programs like one-to-one mentoring, daily community meetings, and January Term create the unique culture of our school; our faculty are recognized as leaders in their content areas and in the practice of education; and several schools, some much older than us, are looking to University for inspiration in an increasingly complex educational landscape. And, to aid in all our work, University has a tremendous asset: its heart.

The entrepreneurial spirit that founded University is as alive today as it was at the school's inception. We continue to blaze new trails centered on the idea of student engagement. Our alumni consistently speak of how well-prepared University made them, for college and for life. Most importantly, University's consistent focus on reflection and personal growth remains the driving force behind our ability to change, to adapt, and to grow.
