

Indy's Baby

2023

Indy's Baby is the newest go-to resource guide containing everything expectant and new parents in Central Indiana need to know about bringing up baby! In a convenient, digest-sized print magazine, **Indy's Baby** will be supported by print, digital, social and event marketing.

FEATURED CONTENT:

- * Maternity and Newborn Photography
- * Self-Care for New Parents
- * Out and About with Baby in Indy
- * Childcare Options in Indianapolis

DEMOGRAPHICS

The digest sized magazine is distributed to expectant and new moms who want to be in-the-know on all things the Central Indiana parenting community has to offer. Our target demographic are women 25-40 looking for resources for their growing families.

CIRCULATION: 20,000

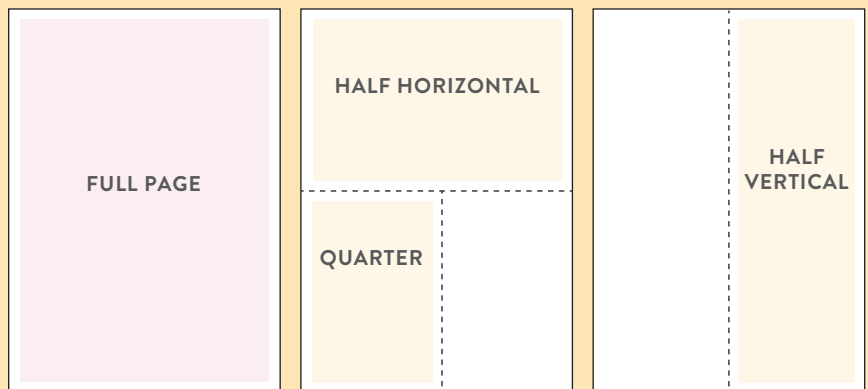

Indy's Baby is distributed to OBGYN offices, hospitals retail partners and business that serve expectant and new moms. The magazine will be restocked throughout the year.
